

Samtykke fra forældre til børn med skolebuskort

Der skal indhentes samtykke fra forældre til at Rejsekort A/S må behandle elevernes personoplysninger.

Som privatskoleskal skal vi for at bestille skolekort til vores elever via vores bestillingssystem indhente samtykke, fra forældrene til de pågældende elever til, at Rejsekort A/S behandler elevernes personoplysninger. I forbindelse med bestillingen af skolekortene skal vi bekræfte, at dette samtykke er indhentet. Derfor skal I som forældre give samtykke:

"Med min underskrift giver jeg hermed mit samtykke til, at Rejsekort A/S og de tilsluttede trafikvirksomheder og disses datterselskaber og underleverandører behandler, herunder indsamler, registrerer, opbevarer og udveksler oplyste personlige oplysninger, herunder CPR-nr., i rejsekortsystemet med det formål at administrere mit barn som skolekortbruger. Liste over tilsluttede trafikvirksomheder og disses datterselskaber og underleverandører findes på rejsekort.dk. Jeg kan til enhver tid tilbagekalde mit samtykke, jf. persondatalovens § 38. Jeg er opmærksom på, at såfremt jeg tilbagekalder mit samtykke, kan mit barn ikke opretholde sit skolekort."

Elevens navn: _____ klasse: _____

Dato: _____ Forældre underskrift: _____

English Version:

Consent from parents of children with school bus cards

A Parents' consent must be obtained to allow the Rejsekort A/S to process the students' personal information.

As a private school we are obliged to obtain consent from the parents of the students concerned that the Rejsekort A/S is allowed to process the students' personal information before we can order school cards for our students.

In connection with the ordering of the school cards, we must confirm that this consent has been obtained. Consequently, we ask you as parents to please give your consent:

"With my signature, I hereby give my consent to the processing of Rejsekort A/S and its affiliated companies and their subsidiaries and subcontractors, including collecting, registering, storing and exchanging registered personal information, including CPR number, in the bus card system for the purpose of managing my child as a school card user. A list of affiliated companies and their subsidiaries and subcontractors can be found on reisekort.dk. I can revoke my approval at any time, cf. section 38 of the Personal Data Act (Persondataloven §38). I am aware that, if I withdraw my consent, my child cannot maintain his or her school bus card.
